To Prevent the Glasses Of the Street Lamps from Getting Broken

It is noticed that many of our Street
Lamp Glasses are very frequently
broken, owing to the high winds or a
light shake

"The Review" would suggest having
a "Wire Net" covering the Glasses so
as to prevent them being shaken off.
This "Wire Net" to have a hinge on
one side of the rim, this would allow
the Wire Net to swing open and hang
down one side so as to allow the Glass
being cleaned or the Gas Mantles
renewed, then this "Wire Net" could
be replaced over the Glass and held
tightly by a fastener

These "Wire Nets" would make a
great saving for the Town by prevent-
ing so many broken Glasses

BOW ISLAND

Mr. Pingatore and his sister from
Grassy Lake, have taken up their
residence in Bow Island south of the
Track

Mr. C.F. Henry was a town visitor
last Tuesday

The Ball Sale held last Saturday
was an attraction to a good number
of people and considering the hard
times and cold stormy day, the Sale
netted much more than was expected

Easter Sale

Easter Sale by the All Saint's Ladies
Aid on Saturday Afternoon 15th. April
in G.W.V.A. Hall, Bow Island.
Easter Eggs - Home Made Candy
and Afternoon Tea

TO-MORROW NIGHT

The Highly Successful Play

THE BUSY LADIES' AID

will be given in the

I. O. O. F. HALL

BOW ISLAND

Saturday April 1st.

Starts at 8 p.m.

Under the Auspices of the Canadian Girls in Training
and the Tuxis Groups of Bow Island

Admission: Adults 50c. Children 25c.

GOOD MUSIC

Many persons who viewed the performance of "The Busy Ladies Aid" a
play presented by the Ladies Aid of the United Church of Bow Island on
Feb. 10th. last, have been so warm in their praise of this Production, that it
has been decided to give it a second showing in Bow Island to give those
an opportunity of seeing it who were unable to take advantage of the first per-
formance. Indeed from the sentiments we have heard expressed we believe
many would like to see it a second time.

This time however the Entertainment is under the auspices of the C. G. I. T.
and Tuxis Groups of Bow Island who will present a considerable programme
preceding the Play consisting of Musical and other numbers

During intermissions the audience will be given the opportunity of purchas-
ing Home Made Candy of which the girls will provide several delicious
varieties. This Entertainment is to be held on April 1st. in the I.O.O.F. Hall
at 8 p.m. don't miss your last chance of seeing this Successful Play and
the programme which will proceed it. Following is the Cast of Characters which
will also be published Next Week, so don't fail to provide yourself with the
latest edition of the Bow Island Review for reference on that Evening

Cast of Characters

Miss. Christopher Astorbill - Pres. of Ladies Aid --- Mrs. M.D. Schooner
Marjorie Pappett - Vice Pres. of Ladies Aid --- Mrs. E. Thompson

and Burdett Reviews --- Mr. R. Setters
Walters --- R. Bateman
C. Schenck
C. Sill

A Good Idea--Is To Take This Program with You
As It Is Already Printed For You

BOW ISLAND

We are very pleased to see the little
children of Mr. and Mrs. Tunstall out
again, after their long stay indoors
this winter with sickness, although
George has not yet recovered his
strength, but we hope he soon will

Mrs. Hubbs from Lethbridge (Mr.
Peppers sister) is visiting here in Bow
Island, at the home of Mr. and Mrs.
Pepper, for a few days, before going
on to her farm at Whitla

Your Baby's Birthday "Bright Silver Dollar"

A "Bright Silver Dollar" has been
sent this Week by "Registered Letter"
to the Babies of Two fully paid-up
Subscribers of the "Bow Island Review"
Do Let Your Little Baby have one also.
Just send your Name and Address
to the "Bow Island Review"

Public Spirited Citizens Means Success For Your Community

When "You" send in a "True News
Item" (and without spite to anyone)
to the "Bow Island Review," "You" then are a "Public
Spirited Citizen" and "You are a
Credit" to your Community, because
You are doing a Public Service and
You are doing Good to Your Community
and it shows "You are broad
minded" and deserving of all Credit

That "New Item" you have, would
look well in the "Bow Island and
Burdett Reviews"

Even if you have only one item
sent to us and we will print it.
But don't forget to give your Name
and Address, not for publication,
unless you wish it

Lister Demonstration

Continued Till

Saturday Night

8th. April

On account of the delay on the
postway at Macleod which delayed
the arrival of the Lister Machine at
Bow Island past the date when it was
arranged to be here, Mr. Needham
says he will continue the Demonstration
until Saturday night the 8th. April

Farmers You should place "Your
Orders Early," as "Early as You
possibly can," because "It takes One
Month at Least" to get this Lister
Machine to Bow Island

"It Does Pay to Advertise" in the
"Bow Island and Burdett Reviews" for
we are glad to report, that
Couds have come Every Day to see
this "Lister Machine Demonstration"
held by Mr. Needham at Wilmet's
Garage at Bow Island

"The Review" has been informed,
that contrary to what some people
think, Mr. Needham does "Not Make
One Cent" in the Lister Demonstra-
tions, for showing or explaining about
the "Lister Machine" or the "Lister
Methods," it is done by Mr. Needham
solely for the good of these Farmers--
to help bring back Prosperity to all of
us here

In fact, Mr. Needham has had to
Buy his own Lister Machine for
himself

Instead of "Knocking" anything
and everything he meets, Mr. Need-
ham is a good Citizen who uses his
Intellect and all his Energies to cope
with the "serious situation" that exists
in these parts, and Works and Plans
with the best of them, to help make
these Districts some of the "Richest
Farming Districts in Alberta"

This Country and every Country
needs more men like this, full of
Energy and Work and Hope and
Planners for the Public Good

What more glorious Destiny of man
than to

"Make the Desert
to Blossom as the Rose?"

Bow Island News

We noticed the following in the
Cords of others who came in to see
the Lister Demonstration on Tuesday
and Wednesday, some coming 25 and
30 miles to see this Demonstration:

From Lethbridge --- Mr. Frank Sutton
From Burdett --- Messrs. Jack
and Henry Rygg, A.B. Clark, John Clark,
Henry Bankey, Henry Peterson
From Winnifred --- Messrs. G.A. Scott
Mike Collins, John Keller and his 2 sons

The Anglican Ladies' Aid were mon-
tered by Mrs. C. Avery on Monday
last at Mrs. B.T. Whitney's residence,
where a very successful meeting was
held, a large number of Ladies attend-
ing. The regular business was at-
tended and minutes read by the Sec-
retary (Mrs. Hildegarde) it was then
decided to hold an "Easter Sale" and
Afternoon Tea on Saturday 15th. April
in the G.W.V.A. Hall

After the business matters were all
discussed, a nice social time was spent,
when Tea was served. Mrs. Avery be-
ing assisted by Mrs. B.T. Whitney.

We had the pleasure of the company
of several lady visitors and we hope to
see them many more times again

The next meeting of the All Saint's
Ladies Aid will be at the home of Mrs.
B.R. Ware on Thursday 9th. April

Bow Island News

Mr. H. Young who has spent the
winter in town left Saturday for
Medicine Hat to look for employment,
his Bow Island friends wish him, good
luck

Mr. and Mrs. Wm. Scott and Mrs.
Scott Sr. of Prospero were Bow Island
visitors a few days last week

Mr. and Mrs. Scott guests of Mrs.
Rea and Mrs. Scott Sr. were guests of
her daughter Mrs. R.J. Emerson

Mr. and Mrs. C.D. Herrington of
Winnifred were business visitors in
town Monday

R.J. Emerson was a business visitor
to Whitla last Monday

Mr. John Still, father of Elmer Still,
and one of the old timers here, but
who has been reading at Opportunity,
Wash. is here looking after his land
interest

We are all very glad to hear, that
Miss Ethel Baker has slightly im-
proved in health, since our last Review
appeared, Miss Baker has been through
a very bad attack of Pneumonia, and
it will take a long time, before she is
fully recovered from her illness

We sincerely hope that she may
still steadily keep "on" in her health
"Robust Health" how greatly we
appreciate it

Services were held in All Saints
Church, last Sunday and were well
attended, both Morning and Evening.
Mrs. B.T. Whitney was Organist, the
Rev. F.R.B. Leacock who has been
very sick in Taber Hospital since a
month ago, was very glad to re-
port, sufficiently recovered to be
able to take the Services, although he
is far from strong yet, but we sincerely
trust he will be feeling much stronger,
so that he can take an Easter Service
in the Church, the Sunday following
Easter, on the 23rd. April he
proposes to be in Bow Island again,
and he would be so pleased to see
the little Church packed to its utmost,
for that Special Easter Service. Every-
body please make a big effort to be
there both Morning and Evening.
Communion will be celebrated at
the Morning Service

The Rev. Leacock left Bow Island
on Sunday night's train to go to
Calgary, having received word that a
very sick friend, and also a very old
friend wanted to see him, we sincerely
hope the journey will not prove too
much for his health, and that his old
friend may get better

Mr. Stewart, Post Office Inspector,
was in Bow Island last Friday the
24th, and reported everything very
satisfactory

Last Friday morning Bow Island
and Districts were once more under a
depth of snow of about 5 or 6 inches
deep and was still snowing. Saturday,
a little more snow fell but the tem-
perature went down all that day

This added excess of snow is in-
deed very good for the land and
although it will make work on the
land late yet the Farmers are jubilant
as this points to a Big Crop--to which
we say Amen, may such be our good
fortune

WINNIFRED News

A very enjoyable evening was spent
in Winnifred when Mrs. V. Bryant
entertained a few friends in honor of
her guest, Miss I.C. Maloney who
spent the week end with her. All
were glad to welcome Miss Maloney
back again and hope to see her often.
Cards and games were the order of
the evening with a dainty supper at
the conclusion.

Now comes some more of the
"beautiful snow" it makes one feel as
Longfellow, "Hawthorne" wrote "Oh
how good and winter" but spring
will come if we be patient, and wait,
and then the added moisture, makes
so much more a real good crop.
So we are really joyful over it.

Mrs. Penstock is in the gain and we
are sure all the neighbors will be glad
to see her.

Mrs. Fred Hodgson who has been
spending a few months in Lethbridge
is at home again and her family and
friends are exceedingly glad to see
her.

Mrs. Harold Shepherd has been quite
sick with tonsillitis but is recovering
we are very glad to hear.

Mrs. Angie has been to the Hat for
treatment, her friends hope she gains
in health.

"The Bow Island Review" also sends
its sincere good wishes and hopes
that she may soon recover her good
health again.

We are glad to hear our Post Master
is better and at home again.

"The Review" also sincerely hopes
he may continue in good health.

The Agricultural Society made
quite a light at the dance last Friday
night, a good crowd and a fine time
was enjoyed by everybody; they made
something like \$70.

Mr. P.J. DeMarce is down from the
Hat looking after his interests here
and shaking hands with his friends.

Mr. Robert Parker an old resident
was seen around town this week, his
friends were sure glad to see him.

Alderson News

St. Patrick's Day here ended with
the big hard winter which drive and
dance in Johnson's Hall. It was a
large crowd and a big time. Sixteen
tables were utilized for the games and
a few outsiders entered into the enjoyment
of the evening. Messdames
Albert Edwards, John L. Scott and
Miss Storer were the energetic pro-
moters of the affair. Thos. H. Bulle,
flower manager, and Mr. Harry Collins
dovekeeper. The first prizes went to
Mrs. V.E. Storer and Mrs. Thos. Swan-
wick, and the consolation to F. E. Mc-
Donald and W. J. Hall. Prizes for
the most forlorn costumes were captured
by Mrs. George Russell and Mr. Oscar
Swanwick, and all had a most enjoyable
time until nearly dawn of day.

Many friends near and far were
shocked to hear of the sudden illness
of Mrs. J.M. Cairnes, who was taken
to the Hospital, Medicine Hat, on
Sunday, March 12th, were every at-
tention and care was given, but it was
not to be and on Friday March, 17th,
she passed peacefully away.

Rev. R. Van Davis and the family be-
ing at her bedside. A most impressive
service, conducted by Rev. R. Van Davis,
Dean E.A. Davis and Rev. Chas. E.
Orrison, took place at St. Barnabas
Church, Medicine Hat, on Monday
morning, after which interment took
place at Hillside cemetery. Many
floral tributes testified to the esteem
in which the deceased was held by
friends and to sympathy for the be-
rieved family. W. H. Meads, Mrs. Roy
and John Cairnes, of Kingston; Mrs.
E.K. Johnson, Mr. Herb. Johnson, of
Kingston; Mr. and Mrs. Lake of
Kingston and the family. Sprays
from Mr. and Mrs. Geo. Fairweather,
of Medicine Hat; W. A. of St. Mary's;
Adelbert; Mr. and Mrs. H. L. Brigham,
Adelbert; Mrs. Albert Edwards and
Mrs. John Scott, of Adelbert; Mr. and
Mrs. Frank Steward, of Adelbert; Miss
Clara Metz and Mrs. W.M. Switzer
and Medicine Hat Grocery. The family
deeply appreciate the many kind-
nesses and interest extended during
their recent sorrow and most sincere
sympathy of the community is tendered
to Mr. Cairnes and family in their
bereavement.

Mr. and Mrs. Jack Scott are going
out on May 1st, to the range where
they will spend the summer, having
spent the winter in town.

N-O-T-I-C-E

NOTICE is hereby given that, in
accordance with the provisions of The
Irrigation Act, the undersigned has
filed the necessary memorial and plans
required by Section 13 and 15 of the
said Act, with the Commissioner of
Irrigation at Calgary, Alta.

The applicant applies for the right
to divert sufficient water from the
South Saskatchewan river at a point
on the northwest quarter of section 7,
township 12, Range 10, West of the
4th. Meridian, for irrigation purposes
and for the right to construct the
necessary works, as shown by the
memorial and plans filed, to enable
the water so diverted to be used for
the said irrigation purposes, on the
following lands, viz: Southwest, North-
west and Northeast quarters of Section
7 and the Southeast quarter of section
18, in township 12, range 10, West of
the 4th. meridian.

DATED at Bow Island, Alta., this
10th, day of November, 1921

W. Bruce Marsden

Bow Island News

(Continued from front page)

Mrs. Phippard and little Mary, who
have been Mrs. Ridgeway's guests for
the past week, are going out at the
end of this week to stay on the farm
of the Vasein Bros. where she has
accepted the position as housekeeper.

JOHN-at Medicine Hat to Mr. and
Mrs. Harold Lansdale on March 26th,
a young son.

Mrs. Joe Neil was a visitor at Mr.
Hurlbut's on Wednesday the 22nd, on
her way to the Hospital at Medicine
Hat to undergo another operation, this
is the third, everybody will be glad
to hear of her recovery.

We are very sorry to hear that Mrs.
R. H. Robertson is again under the
Doctor's care and we sincerely hope
she may soon be better.

The ladies of the L.O.B.A. Lodge held
a very successful party sale and
lunch, last Saturday.

The majority of the Farmers seem
to have decided on \$40 a month and
Board as the Average pay for Farm
Help this Spring.

Mr. and Mrs. P. J. Henderson were
the pleasure of a large surprise party
calling on them on Wednesday the
22nd, and a very pleasant evening
was spent by all, the guests occupying
five tables while playing cards, an
excellent lunch was served by the
hostess, which was heartily enjoyed
by all.

We are glad to report that the little
children of Mr. and Mrs. P. E. Duffy
have recovered from the Whooping
Cough.

"The Bow Ladies' Aid" who were
in "Winifred" last Wednesday night,
at Bow Island, met with a very warm
welcome from the Winnifred people
and did exceedingly well, the ladies
extend their hearty thanks to all
for their generous support and
heartily welcome.

"The Review asks," Why not have an
"Agricultural Fair" for Bow Island
and Burdett?

Let Bow Island and Burdett com-
bine, held the Fair one year at Bow
Island and the next year hold it at
Burdett.

This all helps to raise the Standard
of all classes of Stock and thus bring-
ing in Increased Income for our
Farmers.

Swat The Flies Now

Many people have noticed that the
flies are just creeping out from their
winter hiding places.

Now is the time to Swat them and
save having millions later on to pest
you.

They are loathsome Disease Carriers

Now Every Baby Gets a "Bright Silver Dollar"

"The Bow Island and Burdett
Reviews" are nothing but Original—
Here is the new Idea—We will give
or Send by Registered Post, a "Bright
Silver Dollar" to one Baby, in every
family, that is Born in each year.

If their Names are sent in to the "Review"
at Bow Island, and all their Names
will be kept in a "Baby's Book" and
Every Year afterwards we will send
them a real Pretty Birthday Card to
arrive on the morning of the Little
One's Birthday.

The above is given to all little Babies
whose parents are fully paid up
subscribers to the "Bow Island and
Burdett Reviews" —only \$2.00 a year
or \$3.00 for two years Paid in Advance.

So be sure and Send Your Baby's
name in to the Bow Island Review,
as early as possible, so that We can
have the Pleasure of Sending Your
Baby the "Bright Silver Dollar"

Heavy Fall of Snow Will Be Very Beneficial

Put Ground in Good Condition
For Seed Germination—
Better Than March
Average

Reports reaching us from country
points indicate that the present snow
season is general reaching from the
Saskatchewan boundary into the
mountains. It is one of the best
seasons in months as the snow is deep
wet and heavy, and the ground being
open practically all of the moisture
will soak into the soil. The snowfall,
according to the figures furnished by
the Experimental Farm weather ob-
servations bureau is six and a half
inches to the level.

Supt. W. H. Fairfield, in comment-
ing on the storm, was not backward
in pronouncing it of great value to
crop conditions for the present year.
At the same time, he points out that
it is the precipitation in May and June
that brings the crops to maturity. He
does not minimize the good that
will be done by the snow observing
that it will go a long way toward
getting the seed germinated and grow-
ing and will prevent soil drifting, as a
result of southeast winds.

During January the precipitation
was 1.43, and the average for 20 years
is .70; the total for February, 1922
was .41, and the average for February
over a period of 20 years is .64.

In date in March the precipitation
recorded at the Experimental Farm is
.71, and the average for 20 years for
the same month is .81. This will be
seen that the present winter with the
present snowfalls will be rather more
than an average one.

Supt. Fairfield said that 50 per cent
of the moisture used in maturing crops
is precipitated in the vital growing
months of May and June. For the
20-year period the average precipita-
tion in April has been .38, May 2.65,
June 2.61, July 1.91, and August 1.78.

It will be noted from these figures that
the determining factor is the rainfall
received in May and June and perhaps,
July.

In 1922 Supt. Fairfield recalled the
fact that the precipitation in March
was .48, April .15, May 1.37, and June
5.08.

Reports from agents on the Bow
Island and Lethbridge division of the
Canadian Pacific Railway confirm the
widespread nature of the storm. It
reaches the most remote points in the
division and the snow is of uniform
depth. Everywhere it is pronounced
an exceedingly wet storm and of
inestimable value to the country.

Use of Small Cards and Envelopes to be Discouraged

The Post Office has handed the
following to the Bow Island Review,"
asking us to kindly publish it for the
benefit of the Taxpayers—So we
inform our Readers to help the Com-
munity in any good work, will publish
this in both the Bow Island Review
and the Burdett Review." We trust
our work will be reciprocated.

"Live and Let Live" is a fine motto
It is desired that at the coming
Easter season the Public should be
urged to discontinue, as far as possible
the use of small cards and envelopes
The following objections to the use of
small cards and envelopes should be
pointed out.

(1) As result of the small size of
the cards or envelopes the post office
cancellation mark frequently falls on
the envelope, thereby obliterating it
with the possibility that the article
may be misdelivered or at least delayed.

(2) There is difficulty in the post
office sorting and handling of small
cards and envelopes and this unavoid-
ably causes delay.

(3) There is also difficulty in putting
small cards or envelopes through
stamp cancelling machines at larger
offices and this too causes delay.

(4) The use of small cards or envelopes
makes them tend to fall out of
bundles in which they are tied and
there is the possibility of loss as a
result of this, responsibility for loss,
misdelivery or delay as outlined above
arising from the use of small cards or
envelopes, rests entirely with the
sender.

The public are warned that the
return of lost postage stamps, if not
mailed in Canada goes to Newfoundland
is four cents for the first ounce and
two cents for each additional ounce or
fraction thereof.

We are glad to report that Bertram
and Maxine Richardson are able to be
about again, after an attack of the
Flu.

Mr. William Babe made a visit to
Medicine Hat on Friday.

A dance will be held in Esquimaux
Hall on Friday, March 31st, for the benefit
of the Junior Base-Ball Team.

Mrs. T. Maney of Medicine Hat
spent last week with Mrs. Macdonald.

Miss Hazel Stumm, who has been
attending the St. Louis school in
Medicine Hat, has returned home.

Mr. Angus Beaton of Medicine Hat
made a business trip to Whittall on
Thursday. Mr. Beaton is the invent-
or of the Beaton hitch.

Little Loretta Campion, who has
been attending the Whittall school, has
returned home and will resume
their studies in the Golden Sheaf
school.

The Harden children, who have been
attending the Whittall school, have
returned to their home and will resume
their studies in the Golden Sheaf
school.

WHITLA

Miss Nina Smith, our local school
teacher, made a trip to the Hat last
Friday.

We are sorry to report that Mr. R.
Babe is suffering from an abscess in
his ear. He was taken to the Medicine
Hat Hospital on Friday morning.

Mrs. J.R. Fisher made a business
trip to Lethbridge on Friday.

Mr. and Mrs. George Achew, who
spent the winter in Ontario and
British Columbia, returned to their
home on Tuesday the 21st.

We are sorry to report that Mr.
Clayton Fowler is suffering from a
light attack of Flu.

Mrs. S.S. Richardson went to the
Hat last Wednesday to have dental
and optical work done.

Mr. Ben Sturm made a business trip
to Medicine Hat on Thursday.

Miss Martina Herrington went to
Coadvale on Friday, where she will
attend school during the remainder of
the term.

We are glad to report that Bertram
and Maxine Richardson are able to be
about again, after an attack of the
Flu.

Mr. William Babe made a visit to
Medicine Hat on Friday.

A dance will be held in Esquimaux
Hall on Friday, March 31st, for the benefit
of the Junior Base-Ball Team.

Mrs. T. Maney of Medicine Hat
spent last week with Mrs. Macdonald.

Miss Hazel Stumm, who has been
attending the St. Louis school in
Medicine Hat, has returned home.

Mr. Angus Beaton of Medicine Hat
made a business trip to Whittall on
Thursday. Mr. Beaton is the invent-
or of the Beaton hitch.

Little Loretta Campion, who has
been attending the Whittall school, has
returned home and will resume
their studies in the Golden Sheaf
school.

The Harden children, who have been
attending the Whittall school, have
returned to their home and will resume
their studies in the Golden Sheaf
school.

A Social Hop was held at the home
of Mrs. T. Davis on Friday night.

Mrs. H. Campion entertained the
Presbyterian Ladies' Aid on Thursday
the 23rd. There was a large attend-
ance and all report a good time.

We are sorry to report that little
Marian Coleman is ill with the Grippe.

Misses Florence Freeman and Julia
Lyon, who have been attending school
in Medicine Hat, have returned home.

The Government Relief Agent spent
the first part of last week in Whittall
giving out feed and seed to needy
farmers.

Miss Isabelle Babe spent last week
end with Miss Maxine Richardson.

Messrs. Abe Martin and Bill
Childress visited Medicine Hat on
Wednesday.

Mrs. Walburga Stachofski, who has
been ill with flu, is able to be around
again.

Mr. Ralph Gochter returned home
last week after having spent the winter
in B.C.

J.S. Lienhart made a trip to
Blackie last Monday.

Mr. Hugh Macdonald made a visit to
Foremost last week on C.P.A. business.

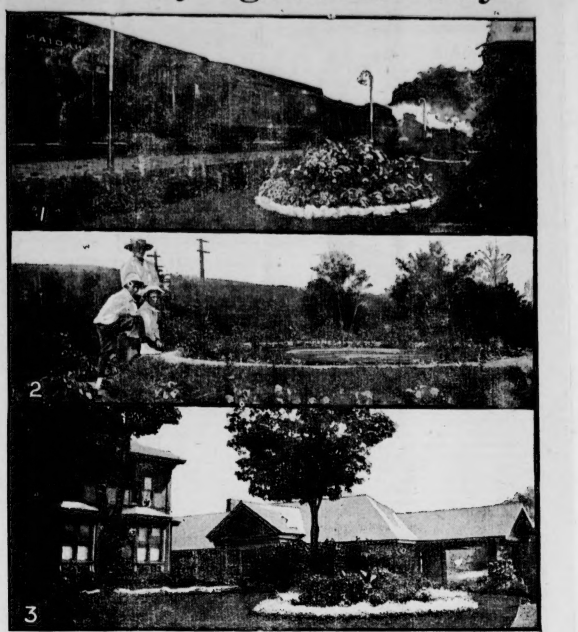

Whittall farmers are very optimistic
this year owing to the large amount
of moisture that fell during the winter
and the heavy snow storm in Equinox
week.

Miss Luella Herrington made a visit
to the Hat on Saturday.

Mr. and Mrs. Leeson, who have
been on Mr. Lienhart's farm during
the winter months have moved to
their home nine miles north east of
Lewen. Mr. Leeson of Whittall spent
now occupy the place during the
spring and summer.

Beautifying the Railways

Soldier Settlement and Irrigation

(1) The Station Garden at Milton, Ont.
(2) The Fountain in the Station Garden at McAdam, N.B.
(3) The Station and Office at Woodstock, N.B.

At the present time of the year when the snow covers the ground one decidedly misses the station and section gardens along the Canadian Pacific Railway with their profusion of shrubbery and flowers.

It is the policy of the Canadian Pacific Railway to establish permanent gardens, and the C.P.R. for all Committees gives every possible assistance in carrying on this work, thus every year sees an increase in the number of permanent gardens laid out.

In carrying out this work a great number of trees, shrubs and perennial plants are used annually. Shrub trees such as ash, elm, maple and poplars are supplied and shrubs such as hollyhock, lilac, barberry, spirea, elder, weigela, etc., together with perennial plants such as peonies, delphinium, gaultheria, coropsea, sweet william, phlox, pink and others are supplied. Vines are also supplied to cover out-buildings and fences. For this purpose Virginia creepers, honeysuckle and Japanese vines are considered the best.

The first display of color in the spring is in the form of the first flowers of the tulips in the garden.

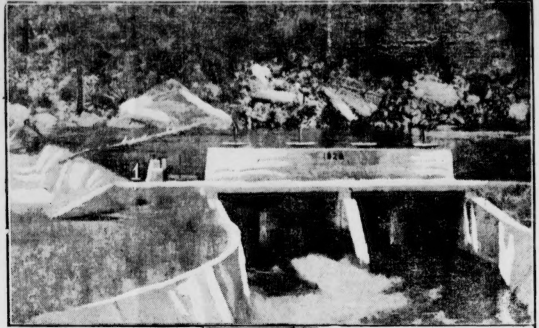

part of the country.

It is pleasing to remember that this work is to be directly credited to the agents and other employees, for it is carried out mostly in their own time and through enthusiasm in beautifying their own living quarters.

The C.P.R. recognizes their effort by presenting prizes on division according to merit. These are keenly contested for, and in their distribution due consideration is taken of individual effort and the results achieved therefrom.

One important measure is to improve conditions around buildings and points where employees gather and accordingly make their surroundings pleasant and attractive.

Under the guidance of a Committee which includes fully qualified foresters and horticulturists, plans are carefully laid and the work carried out in their direction. This Committee is constantly in touch with other horticultural experts, including agricultural colleges and public garden societies so that no work is left unattended to.

(1) Intake gates and dam on Okanagan River.

(2) Main canal, near Intake.

Irrigation is coming into its own in Western Canada. Pioneers of the older provinces began with an axe and an ox team and were skeptical of the farmer; however, their own rain makers. Now the irrigated districts such as the Okanagan Valley, British Columbia, not long since a desert, blossoms like a rose through the vitalizing wealth of the waters of irrigation. A large acreage that is now being won from nature is the soldier settlement land in the Southern Okanagan — a 2,200 acre tract that is of national interest because of its strategic location and the engineering skill required to make it of service to the soldier settlers. A motor trip through the settlement revealed a country rich in scenic beauty, interesting in old land marks and marvelous in present activity of transforming a wilderness into a garden. It lies in a level valley, extending from Vaseux Lake to the International Boundary. The northerly part of the settlement is 22 miles from Penticton.

Water for the irrigation is supplied from the Okanagan river which, at point of diversion, is about three-quarters of a mile below Vaseux Lake and has a depth of 200 feet. A concrete dam raises the surface of the water 8 feet. The system has been built in a very permanent way with concrete lined by Penticton, a returned soldier, belonging to the construction camp.

The town of Oliver will be the administrative centre of the district. It is one of the few planned towns in Canada and is not being developed in a haphazard way with speculation in subdivisions. The Government have placed on the market just what is needed, and this will be sold off before further land is open for sale. There are areas for a park, for a city hall, for a school, for various public buildings and space for all that is required for an up-to-date town.

The soldier recreation grounds are across the river from the town, the present site of the big irrigation construction camp where the big dam is being built. The young men and their families are a part of the scene. 311 men of the camp make their home here and it will be the scene of the camp for the next two years. For the first time there is an indoor dining tent and 150 men are served at once—C. G.

with an ample supply of water.

A plant for the manufacture of concrete pipes is one of the extensive industries of the settlement. Twelve miles of pipe will be built this season by 25 men, with an output of 850 feet of piping a day.

A portion of the land was not on sale last spring and about 600 acres sold. The first orchard was planted by Penticton, a returned soldier, belonging to the construction camp.

RAILWAY NEWS IN BRIEF

St. John.—With a total of 800 bushels of grain shipped from West St. John by the C. P. R. last week, and 1,000,000 in the elevators, besides 34 carloads on track, prospects are that the total volume of this season will not be less than 12,000,000 bushels. The grain handled this season includes all varieties with the exception of flax and peas. A small quantity of buckwheat has been shipped. The total date, 6,237,297 bushels of grain were exported and for the whole season, which lasted until June, 5,000,000 bushels were shipped.

The C. P. R. freight crew achieved a record for February, sending out a total of 3,715 freight trains, the best output ever recorded for the second month of the year.

Vancouver.—The new Canadian Pacific liner "Esquimaux of Australia" is announced, which will be placed in service about the middle of the summer. Her first trans-Pacific trip is scheduled to start from Hong Kong, for Vancouver on June 29 and from Vancouver and Victoria for the Orient on July 27.

The "Empress of Australia" is practically a new ship of Australia. It is the builder's hands at the outbreak of the war. She has lately been converted into an oil-burner, and is similar in equipment and standards to the "Esquimaux of Scotland." A twin-screw steamship of 10,000 gross tons, 750 ft. long, 75 ft. in breadth and 41 ft. in depth, the "Empress of Australia" will prove a suitable addition to the company's Pacific fleet, which already maintains the quickest service across the Pacific with the well-known "Empress of India." The "Empress of Australia" is expected to maintain a speed of 22 knots, and will be able to accommodate 410 first class, 130 second class, 330 third class and 1,000 Asiatic steerage passengers.

Melon-Growing in the Okanagan

There is a certain market-gardener at Summerland, a little settlement on the shores of the Okanagan Lake in British Columbia, who has made his name as a grower of cantaloupes, egg plants and melons. He has five acres of cantaloupes from which last season he shipped 1,200 crates averaging \$2.00 gross per crate.

They are grown on the "hill" system 5 x 8 ft. apart and well-watered mired farm yard manure is used in the spring. Great care has been taken in the selection of the seed, as they won't stand being killed.

The grower's "long spell" is saving his own seed and he has bred distinct strains of peppers, cucumbers and melons. The "Wooden" cantaloupe is improving every year.

The seed is sown in the field before April and is transplanted twice before being set out in the field. It is ready to fruit at the end of June and the 10th and 15th of June.

Mr. A. McLachlan in his winter lettuce house, Summerland, B.C.

From 15 acres of early slicing-cucumbers, a grower makes at least 100,000 in the season, taking from 110-125 boxes at each picking. These average clear profit of 10 cents per box, the prices varying from 40 cents up to \$2.00 according to season.

Another highly profitable line followed by the same grower is early lettuce under glass. Last Christmas he saw one of the greenhouse (x 40) full of lettuce for the Christmas trade. He sold the lettuce at \$15.00 a box, and the price was steady at \$15.00. It is expected that some grower will be reached at this meeting.

Railway News in Brief

Edmonton.—Grain is still coming in. Edmonton in large quantities from the towns along the line of the Edmonton, Ponagosa & British Columbia Railway. From the Berwyn station and from other northern points, the movement of grain is efficient volume to tax the accommodation in the way of freight cars to the limit, and there is no indication that this large movement will continue. Much grain is still being loaded in preparation for shipment.

Winnipeg.—Stimulated by special rates from Eastern Canada and the United States tourist traffic to the Coast will be fairly good this summer, in the opinion of C. E. Macdonald, assistant manager traffic manager, Canadian Pacific Railway, with headquarters in Winnipeg. There will be no general reduction of passenger fares over the Canadian Pacific. Mr. Macdonald thinks, however, that the tourist traffic will be fairly good this summer.

Calgary.—P. L. Nalanth, manager of the Department of Natural Resources of the Canadian Pacific Railway at Calgary recently visited Alberta in the way of recruiting the bringing of members of the Royal Irish Constabulary to the Alberta lands. In connection with this visit, a meeting will be held in Winnipeg at the end of May. Among those who will attend this meeting are Sir Augustus Martin, C. Coleman, Colonel J. T. Dennis, and Sir George Walker, Winnipeg. It is expected that some grower will be reached at this meeting.

**Many Stock Feeds
Badly Adulterated**

In administering the Feeding Stuffs Act the Seed Commissioner at Ottawa has made the discovery that many commercial stock feeds are adulterated with worthless substances which give only bulk and weight. A product sold as barley meal at \$1 a bag, was found by microscopical examination to contain no barley whatever. The material consisted of a mixture of ground corn, bean meal and ground oat hulls. This mixture has the merit of containing some nutritive value. Another mixture sold as ground oat cake, however, was much less valuable, inasmuch as it consisted to a large extent of ground cocconut shells, which is a very indigestible product, together with a little linseed meal and barley flour. These adulterations not only tamper with confidence in feed mixture in general, in any of which are sound and good. They go to prove, however the necessity for a careful enforcement of the Feeding Stuffs Act. Arrangements have been made by the Seed Commissioner for the examination of samples of feeds purchased by farmers where

there is reason to believe that misrepresentation or fraud has been practised.

Burdett News

From our own Correspondent

Masonic Dance

A dance will be given by the members of the Burdett and Bow Island Lodge on Friday April 7th, in the Majestic Theatre, for which all Masons of Bow Island and Grassy Lake will receive invitations in due time, if by chance any brother has been overlooked, he will please notify F.A. Lombard of Burdett, this applies to visiting Masons who happen to be in this district as well

F.A. Lombard
Chairman of the Committee

An enjoyable entertainment was given by Burdett Local No 80 U.F.A. and ladies which was voted, by all who were there, to be the success of the season and a long felt want of the community

The entertainment opened with short address by D.M. Hall, President, followed by song by quartette, then an address by Mrs. L. Peterson of Harwell, who ably presented the aims and view points of U.F.A. and U.F.W.A. strongly urging the Ladies to organize a local at Burdett

Another song was rendered by the quartette, followed by an address by Prof. A.T. Litt of the Burdett Consolidated School pointing out the advancement of Education along agricultural lines

Song by the Quartette followed by Good Save the King

The floor was then cleared and dancing was then in order till the small hours of the morning, a dainty lunch was served at midnight by the ladies

The success and realization of the long felt want of community gathering has created a demand for more of these affairs and the committees were prevailed upon to continue the good work, which they endeavor to do by putting on some kind of an entertainment within the next month, the date will be set later and due notice published in the BURDETT REVIEW watch for it, if you don't take the paper SUBSCRIBE NOW

F.B. Barnes of Big Valley, Alta. arrived home on Thursday March 23rd to pack up and take his family back with him

Mr. Lynn of New Dayton, arrived last Wednesday the 22nd, to take the position of Teller in the Standard Bank made vacant by the promotion of Mr. H.P. Johnston

The Young Peoples Society of the United Church gave a Social on Wednesday the 22nd. Inviting their parents and friends. The boys provided a nice program consisting of music, Recitations and a series of Shadowgraphy, after the program, games were played till their elders had the lunch ready. Altogether a very pleasant evening was spent

On Monday evening the 27th. Mrs. C. L. Brundale, assisted by Mrs. Ostrum and Mrs. Llewellyn entertained in honor of Mrs. F.L. Barnes who is leaving shortly

On Monday morning there were two cases of Oats and two cases of Hay set off at Burdett for the Municipality and it has created quite a stir in town, the Village has been full of farmers ever since

**Yes! The Railways
should be made to
More Adequately
Protect The Public**

By Installing Up-to-Date Safety Appliances

"The Review" this week was handed the following brief report, by one who we can clearly see is such concerned as to the safety of a poor Truck Driver and other poor working men whose work often obliges them (just think it might be you). To Risk their Lives by walking or sometimes driving loads on the Public Roads, Roads that are often without any Warning crossed with terrific speed by fast Trains

The Review's idea is this:

That these Roads and every Level Crossing should have "Automatic and Self Locking Gates" that would close through the action of the flange of the Engine wheels pressing on and releasing powerful Springs placed by the side of the rails when the train is a quarter of a mile away could be adjusted to any distance, this would also protect the hard working train crew and Passengers and in case these Gates could not close on account of a Train already on the crossing then a spring, connected with the main or spring, would release a large and powerful Bell, rung by strong currents of Electricity which should warn the Engineer to stop his train and at night, Red White and Green Lights would appear agreeing with when the Gates were Open or Closed. This is the report, briefly told. A poor truck driver in Ohio, was going

along a Public Road at a certain point where the Railroad encroached over this Public Road and as this poor truck driver was going along his legitimate business on this Public Road he was suddenly hit by a Fast Train, so what does this Multi Millionaire Corporation do, instead of recompensing this poor truck driver for running his train into his truck, they because they had the money to fight against a poor man and the news and gall combined, they take action against this truck driver and of course the Prodigious Wealthy Company Won the Case and the poor man was nowhere—You see he was a "Poor Man" Our idea of "True Justice" would have been to have fined that Railway Company "Very Heavily" and in addition to have Compensated that poor Truck Driver for "more than the value of the truck" so as to have taught that Railway Company a lesson, for they needed that lesson, for not having installed Safety Appliances
